

Pedagogy Model

Types of Pedagogy models

Learning objectives

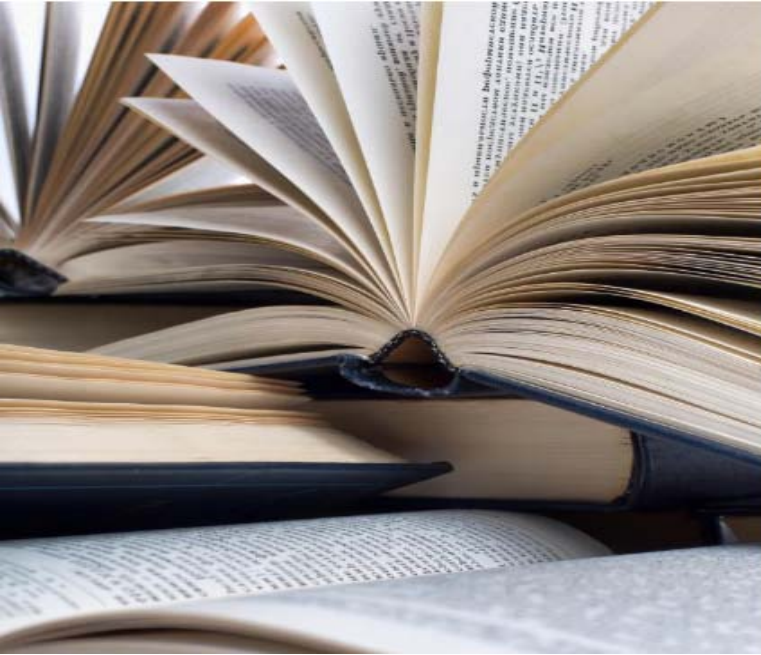

After going through this part, you will be able to

- List pedagogical tools
- List teaching strategies

Pedagogical tool is anything that is
used to learn or teach

Pedagogical model

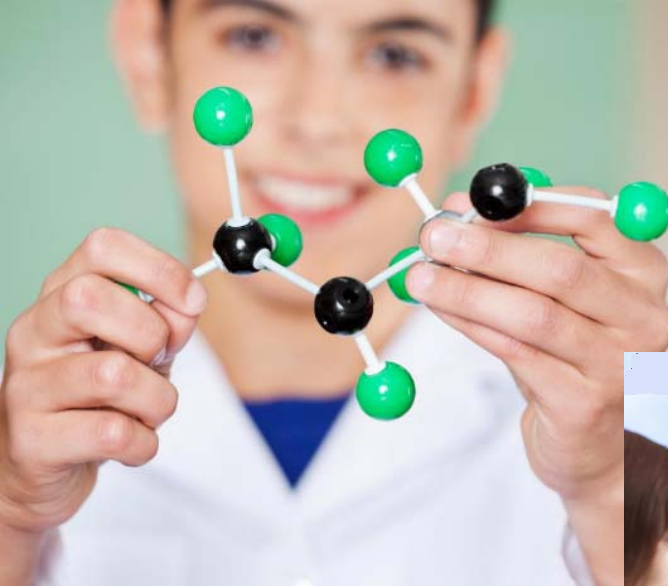

- represents strategies teachers use during teaching for learning
- create an environment where students are engaged in learning
- passes on knowledge of a topic based on the teacher's skill in delivering information

Pedagogical tools such as textbooks, chalk and talk in classroom are considered "traditional"

Other pedagogical tools

TIP		RING	
white/blue		pair 1	blue/white
white/orange		pair 2	orange/white
white/green		pair 3	green/white
white/brown		pair 4	brown/white
white/slate		pair 5	slate/white
red/blue		pair 6	blue/red
red/orange		pair 7	orange/red
red/green		pair 8	green/red
red/brown		pair 9	brown/red
red/slate		pair 10	slate/red
black/blue		pair 11	blue/black
black/orange		pair 12	orange/black
black/green		pair 13	green/black
black/brown		pair 14	brown/black
black/slate		pair 15	slate/black
yellow/blue		pair 16	blue/yellow
yellow/orange		pair 17	orange/yellow
yellow/green		pair 18	green/yellow
yellow/brown		pair 19	brown/yellow
yellow/slate		pair 20	slate/yellow
violet/blue		pair 21	blue/violet
violet/orange		pair 22	orange/violet
violet/green		pair 23	green/violet
violet/brown		pair 24	brown/violet
violet/slate		pair 25	slate/violet
